

**Press Release:**  
**Evaluating Progress, Shaping Solutions:**  
**ShowUp4Health Halftime Workshop**  
**08-10 September 2025, Micfalău, Romania**

From 8 to 10 September 2025, the next in-person meeting of the *ShowUp4Health* project will take place in Micfalău, Romania.

This three-day workshop will bring together project partners to review the results achieved so far and reflect on the ongoing pilot activities. As a halftime meeting, it provides a key opportunity to evaluate progress, implement necessary adjustments, and jointly plan the next phase of pilot actions.

The workshop will also serve as a platform for sharing experiences from participating countries, strengthening international collaboration, and fostering innovative solutions to address the health and social challenges faced by disadvantaged communities.
